November 23, 2021 - Welcome to the MEIOU and taxes Wiki page. This mod was formed by merging two main EUIII mods: MEIOU, created in 2007, . EUIII (short for European (EU) Version of the Interdiction), which was formed in 2009 and published as an addition to the main mod. MEIOU and taxes have been designed to be fully functional so that any player can use them as a main mod, but still be able to modify and add to them using third party mods. This is the third EUIII-based mod that has been published.
